Rules regarding Reimbursement of Claims to Medicines Procured from Chemists

3916. SHRI RAJ NATH SINGH: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that Government have modified the rules in July, 1994 relating to reimbursement of claims to medicines procured from chemists prescribed outside the CGHS formulary:

(b) if so, the details thereof,

(c) whether it is a fact that with the implementation of the above orders', the CGHS beneficiaries with low income will be put to additional burden of spending the money for purchase of CGHS medicines from their own pocket which in many a cases may not be possible to afford;

(d) if so, what is Government reaction thereto and what steps Government are taking in the matter;

(e) whether it is a fact that the VIPs availing of CGHS facility will continue to avail the benefits from their respective dispensaries as before;

(f) if so, what are the reasons for two types of standards for CGHS beneficiaries; and

(g) what steps Government are taking to remove the anomaly?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (DR. C. SILVERA): (a) to (g) The position is the CGHS beneficiaries have been broadly divided into serving government servants and pensioners. While the former are required to directly purchase the non formulary medicines prescribed by specialists directly from any loeal chemist and then claim reimbursement of the expenditure involved from the service head of their department/ office, the pensioners would continue to get such medicines from the dispensaries, as in the past. It would not involve any additional financial burden on any category of employees, as the expenditure involved would be quickly raimbursed by their respective offices. There is not discrimination of any type between VIPs and other beneficiaries.
